<b>Agenda Topic</b>	Deactivation of skills certificates	
<b>Action Taken</b>	Winnie moves to approve the deactivation of the Automotive Service Excellence I, Automotive Service Excellence II and FESTO 4.0 Industry skills certificates, Dianne seconds  Motion approved	
<b>Summary of Discussion</b>	<p>Skills certificate for Automotive Service Excellence I Skills certificate for Automotive Service Excellent II Skills certificate for FESTO Industry 4.0</p> <p>Both of the Automotive Service Excellence certificates (I and II) are no longer being offered to students and have already been "replaced" by other certificates that we offer.</p> <p>The FESTO certificate was never fully implemented and has also been replaced with other skills certificates that we offer.</p> <p>Members agree to vote by email per the nature of these three items.</p> <p>Email chain communicated that these changes are supported by Georgia White in the PAT Division.</p> <p>Dianne also contributed information about the current state of the skills certificates.</p> <p>Members agree to the deactivation of the skills certificates.</p>
